

## **Davis Air Conditioning & Heating receives Winner of Distinction Award from Better Business Bureau**

Built on a foundation of honesty and prompt, courteous and professional service, Davis Air Conditioning & Heating opened its doors in 1971. Forty three years later, that foundation is holding strong.

Over the years, the company has grown, but the quality of service has never been compromised. Davis Air Conditioning & Heating prides itself on employing team members who are devoted to treating customers and their homes with the greatest care and respect.

It was because of this philosophy that Davis Air Conditioning & Heating received the Winner of Distinction Award at the Better Business Bureau Awards for Excellence luncheon held Wednesday, May 7 at the Westin Galleria.

"I am proud of our team members who maintain this level of commitment to our customers each and every day and am thankful for our customers who have continued to trust us with their comfort, safety and the quality of air in their homes," said Vice President Steven Davis. "We work hard to provide top notch service to our customers and clients and it is an honor to be recognized for our efforts."

The BBB Awards for Excellence recognizes businesses and non-profits for their achievements and commitment to overall excellence and quality in the workplace. Proceeds from the event help fund the BBB Education Foundation which educates consumers about scams and fraudulent business practices in the Greater Houston area.
